

# Temp-to-Hire Made Simple

YOUR GUIDE TO HIRING  
WITH LESS RISK

## What is Temp-to-Hire?

Temp-to-hire staffing starts with a temporary placement and, if it is a good fit, can lead to a permanent position. It is like a working interview, giving you time to evaluate skills and fit before making a full-time hire.

### Benefits for Employers

Reduce hiring risk by testing fit before committing.

Save time with our sourcing and initial interviews.

Improve retention by making better matches.

### FAQs

Q: Do I have to hire them at the end?  
A: No, the decision is yours.

Q: What is the trial period length?  
A: 520 hours, approximately 3 months

Q: What kinds of roles work best?  
A: Admin, customer service, light industrial and more!

We Source  
Qualified Candidates

You Evaluate  
During Trial Period

You Hire Them  
Full Time

## How it Works

- ✓ We source qualified candidates for your open role.
- ✓ You evaluate them during the trial period.
- ✓ If it's a match, you hire them onto your team.
